Meeting Called to order @ 7:10

Minutes from the last meeting were reviewed.

******Motion******

Elna and Curtis made a motion to accept October's meeting minutes.
Motion carried

Treasurer's Report

Summary reading over the minutes from the October meeting all line items were placed into their corrected category.

Went thru all the line items for this month

We may owe Sam Willard an extra \$100.00

We need to split the \$1500 from show drill creation and make that \$1000 and then take \$500 out of Band director fund.

For the TOB made \$4674.56

We need to have a line item for each fundraiser. This will help keep better track as to which fundraisers were successful and which were not.

We discussed that we have almost balanced the band budget and need to remember for next year that we need to start in March, or we need to combine indoor guard and drum line with Marching band.

When looking at expense we need to move the 2296.76 for the prop out of the general fund and take that money out of capital fund, we didn't need the 350.00 for the truck rental, there was too much money taken out for leadership training.

******Motion******

To take the total for all prop items out of the main budget and pull the funds out of the capital budget.

Sharon and John made motions to accept the change

Motion carried

Band Director's Report

Moving into the indoor guard and drum line season

As of this meeting we have 10 to 11 guard and 14 for drum line

There is a meeting on the 17th of Nov, it is set for the same time but will hold them in different places.

Caroline Palfty and Sam Willard will be the Guard instructors

Heather Nowell will be the guard instructors and will have a pit tech, Christina Oliver (she is a student at Sheppard)

For next season we should change the wording in the sign up sheet from "try out" to something like come one/ come all.

Would like to purchase a new marimba but will look into it more once we have the totals from the marching band season. At this time we can get one for \$3000.00 instead of \$6000.00 some of that may come out of indoor guard and drum line. This is another reason to combine both marching band and guard.

There may be a bigger cost for the drum line since this is the first year. Will need to do fundraising.

Comments from the middle school move up night: had a least 10 kids say they wanted to be part of the marching band next year.

Would like to have eighth graders come to the indoor guard show as well, kind of move up night.

Would like to send a thank you letter to all band and directors that were part of our ACC show. Sandy Chaney will start with the letters

Guard Report

We need a budget but with Denise not begin there felt it was best to wait until Curtis and Denise could be there. This meeting was set for Nov 23,2009 @ 4:00 pm

New Items

Upcoming Fundraisers

McDonalds- Dec, need date

Roy Rogers- Nov (to late) need to set date for Jan

Corp Alumni- Trina and Todd will get the letter going. Jaemi has a letter to send.

Final prep for Silent Auction under way, we need items for silent auction.

Packets for sponsors, this is to include shirt, program, and thank you letter as well as a picture. Jaemi will send those out.

We need a nomination committee for the 2010 band season, need to start taking nomination in Dec. for election in Feb.

Last item is the TOB question?

At this time we will stay with TOB as it will be to costly to switch to USBB but will do one show with them (there is no cost for that one show)

****** Motion******

John and Curtis made a motion to end meeting at 8:45

Motion carried
