Treasurer's Report:

Looking into the report for the past month it was found that the Middle School students still owes the band booster money for the tee shirt wore during the Move up night and the Chapter show.

We still have money coming in for the two fundraisers Wolfgang and Midland.

The budget for indoor guard is just starting we have a \$1000 donation and \$440 for member fee in the income side and on the expense we have \$29.00 for misc. and 58.69 for guard equipment and tubs for items.

It was decided on a email vote to close the 2009 indoor guard budget.

It was discussed that we need to send a letter to the county for the poor bus service during the marching band season.

We discussed that we would get a gaming permit for a bingo and for a raffle which would cost \$55.00 but would not get a gaming permit for tip jar as that would raise the cost to \$180.00

Community fund: It was discussed that in order to give a \$100 scholarship it was costing us \$250.00 since we have the account with community fund. We would like to know if we were to pull the funds out of the fund and give out the scholarship ourselves would this still be within the guideline of the scholarship and would the fund let us.

The other ½ of the music and in the kid's hands before the break

In regards to the Marimba it was decided that \$2000.00 would come from the capital fund and that \$1000.00 would come from the directors fund.

We have a 60-day lead time and it looks like we may have it by the 17 of Jan but if we find that it is going to take longer it may be a deal breaker. They are willing to drive the Marimba half way to Brunswick which would be Mr. Glidewell's house, the band will need either a truck, van or mini van to get it to Brunswick.

General Business:

We need to find out if the sponsor packet has gone out.

Transport for the KIDA shows, one bus and the trailer need driver.

Themes for the shows- Zombie for the guard

20's gangster for the drum line

Mc Donald now needs two or three weeks notice for family night. The next night that would work out, was going to be the 6th of Jan we need to schedule a new night.

Audit-Plans

When John sat down with the receipts he found them very confusing. He was only able to match about ½ of the entries with receipts. Bob did keep a book that may be able to help better understand the line items in the check book.

Need to start looking at the checkbook for this year to make sure that we don't run into the same problem in the fall.

It was suggested that as long as the income and expense match that we don't make ourselves crazy with the past years audit.

Nomination:

Trish will send out emails to see if we can get any one else to step up and take a seat on the board.
