****Motion****

Denise and Bill made motions to accept February meeting minutes.
Motion carried

Treasurer Report: Do to a problem with Chris's PC he will send out
the Treasurer's report ASAP on email.

Band Directors Report:

Indoor guard group went up 16 points, while Percussion went up 10
points.
Need to review the school policy with the guard regarding cell phones.

Still working on the outdoor show but will have it before mini camp in
June.

Talked with Mr. Player and at this time it looks like we will have 10 kids
coming in to the band, not sure about guard yet.
Would like to have an 8th grade parent meeting the night of their
concert and give them some information regarding the summer
fundraising. Serve refreshments and show pictures from the shows
before the concert.

Mini-camp will be held on June 7-9 from 3:15 till 5

Trying to get the school for a KIDA show on the 9th of Oct will probably
not do a TOB show as well.

Would like to hold the Banquet on the 18th of May

Concerts for us is May 13th and we have the concert @ the high school
on the 27th of April for BES and VES.

Looking into bringing out some of the instruments out onto the field a
little differently. Almost like a train.

Indoor Guard Report:

At this time we have 9 groups (two of the group are ours) Need to have a show, we can't pull out even if we just break even. Cutting down on what we get from concessions. Show starts at 1, need people there at 7 am to do run thru and set up. Schools will start arriving at 11
Need donation for Bake Table, Candy and Taco in a bag items.

General Business:

At this time we still don't have # for Yankee candle, still to early.
Will start Gianni's on the 11 and run thru the 25
Mc Donald's- schedule a family night on the 17th, they are working with us on some kind of coupon.

Community Foundation Scholarship: The changes have been made and the only thing we need to make sure of is that they are not going to charge any additional fees.

Need list of Committees and people to fill the committees.

April 17 is opening day for Little League baseball, need the pep band to play.

Starting Kids accounts: While a number of kids are willing to raise funds there are a number of students who do not take part in any of the fundraising that the band does. We need to figure out a way not only to get the students involved, which will help with team work in the band, but we need to get the parents on board with the idea so we don't lose the students.

Sharon has agreed to send a letter out to the band community and see what kind of response we get. If we are going to move ahead with this we need to have it in place so we can start the new season out right. Some of the items in the letter should be what the county covers and what the band boosters covers.

Golf cart. Need to address the batteries
