

Dear Brunswick High Band Supporter,

Once again the Brunswick High Band Boosters are asking for your support with our tee shirt ads. Local companies can purchase corporate sized advertisements that are printed on the back of the tee shirts worn by band members.

Our band members wear these tee shirts to football games and competitions in the tri-state area, so your ad will be seen by literally thousands of people. In addition, your ad will be in the program which was read by several thousand spectators and participants at our annual Marching Band Show in October. The funds generated by these ad sales help transport the band to competitions and pay for instruction, instruments and repairs. You can read more about the band at www.railroaderband.com The Brunswick High Marching Band has a long history of excellence and represent our area with pride. Your support will be greatly appreciated !!

Please indicate the level at which you would like to participate and return the form below along with a check made out to BHS Band Boosters by July 27, 2008.

If you are a first time corporate advertiser, please enclose a business card or ad copy. Thanks so much!!
