

September 16, 2008

Dear BHRM Families,

As part of the preparation for our TOB Competition at BHS on October 25th we are requesting donations/sponsors for the trophies and plaques being presented to the winning bands, best color guards, best percussion, and best drum major from each group.

We need to raise about \$600 for approximately 20 awards. Sponsor families and local businesses/organizations will be announced and students will give out the awards at this part of the Competition.

Please let me know if there is a business/organization that has expressed interest in donating money/sponsoring an award along with a contact person and phone number. The more we involve the community the less we will need to rely on band family donations.

The deadline for donations is Wednesday, October 1. Please make checks out to BHS Band Boosters.

Thank you so much for your help/contributions and support!

Band Sponsor Family Name _____ Phone _____

Business/Organization Name _____
